24. Statement of Purpose: (Minumum 300 words to Maximum 500 words)

Thank you for the opportunity to be interviewed for this position with your company today. My Name is Ayush Shukla, From Jamlapur Junnardar Post Shekhpur Ahir district Jalaun UP 285125. My Father Name is Yogendra Shukla He is a Former My Mother Name is Baby Shukla She House Worker. I am Complete BCA from Axis Colleges Hathipur Rooma Kanpur Uttar Pradesh. I am Complete a Certificate of Training- Computer Hardware Window Server 16 CCNA. In my graduation I learn here many languages like that CSS HTML C and most important is C++ . And also learn about the database languages like that DBMS and SQL they help to me builder intelligence my knowledge. And my graduation I complete a one project name is jio Bank management which is depends on payment transactions like that how we transfer a money one bank to another and how to detect and credit the payment scenarios. Basically working on the database management system and here we use SQL and for the backpage we use front and languages like that HTML CSS JavaScript. It is a wonderful experience where I learn more. I am diligent, self-disciplined, committed to lifelong learning, and I genuinely want to build a successful career in this industry. Outside of work, I keep myself fit and active, so my concentration and energy levels are always high. My strengths include my flexibility, my fast pace of work which means I will get more work done than the average employee, and my adaptability to change. I work in a BPO ,which help to increase my communication skills and my knowledge. I am the type of person who will be a positive role model for your company, and I will support the organization in any changes it wants to make while working hard to repay the trust you will have shown in hiring me.
